Export permit application for destructive sampling and micromorphology analysis for samples from the Pleistocene stratigraphy of Umhlatuzana rockshelter

Dear Dr Dusseldorp,

Thank you for your permit application to export sediment samples from Umhlatuzana rock shelter (KZN, South Africa) for destructive and micromorphology analysis. It is noted that Prof. Hans Huisman will do the analysis at the State Heritage Agency of the Netherlands.

SAHRA has reviewed your application and decided to approve it.

We wish you every success with this project.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully

Phillip Hine
Manager: Archaeology, Palaeontology and Meteorites Unit
South African Heritage Resources Agency
