Dear Dr Nadja Drabon,

#### RE: Geological sampling permit for Barberton Makhonjwa Mountains

Thank you for your permit application for field mapping and collection of geological data which includes structural measurements, to collect geological samples in Barberton-Makhonjwa Mountains World Heritage Site (BMM WHS). SAHRA has reviewed your application and request that you provide the following to assist with processing your permit application:

1. The proof of payment with the reference must be submitted to the permit application,
2. A proposal document containing a methodology for mapping and sampling along with the plans for analysis of the collected samples, a map of the locations within where the sampling will take place and the name, affiliation and address of applicant.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
