Eskom Holdings SOC Ltd is proposing the Empumelweni Village Electrification Project to construction a 22 kV powerline that will traverse Farm Leeuwfontein 248 JR within the Thembisile Hani Local Municipality, Mpumalanga Province.

A Distribution Environmental Screening Document (DESD) was submitted to support the proposed electrification project. The environmental screening did not identify any heritage resources within the proposed development footprint.

Response to Notification of Intent to Develop:

- The SAHRA Development Applications Unit acknowledges receipt of the proposed Empumelweni Village Electrification Project.
- The applicant is required to submit a KML file that accurately maps the entire proposed development footprint.
- A decision will be issued upon submission of the KML file.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
