Interim Comment

In terms of Section 38(3) of the National Heritage Resources Act (Act 25 of 1999)

Rudzani Richard Munyai
Vhufa Hashu Heritage Consultants cc
Poison Wood Street
Ilanga Village
Mbombela
1200

Vhufa Hashu Heritage Consultants was appointed by Ralema Consulting Engineers to undertake an Environmental Authorisation (EA) Application for the proposed expansion of Baviaanspoort Wastewater Works development on Farm Baviaanspoort 330 JR within the City of Tshwane, Gauteng Province.

The proposed project entails expansion of Baviaanspoort Wastewater Works development through the addition of a new 40ml/day treatment module with consideration for a further 40ml/day expansion in the future along road R513 from Cullinan to Pretoria.

Munyai, R. March 2025. Phase 1 Heritage Impact Assessment Report for the proposed expansion of Rietvlei Water Treatment Plant on Portion 11 of the Farm Rietvlei 377 JR within the City of Tshwane, Gauteng Province.

No Heritage, archaeological resources were identified within the area earmarked for expansion of Rietvlei water treatment plant and graves was identified within the proposed site and no further studies or Mitigations are recommended within the proposed development site and its surrounding.

- A Chance Finds Procedure is recommended to be implemented.

Interim Comment

The SAHRA Development Applications Unit (DAU) notes the submitted Heritage Impact Assessment report.

- The proposed development is located within an area of Unknown to moderate Palaeontological Sensitivity as per the SAHRIS PalaeoSensitivity map. As such, a Desktop Palaeontological Impact Assessment (PIA) must be undertaken by a qualified
