Thank you for the application for a retrospective permit for the relocation of graves that occurred in 2021. Retrospective permits are not granted. Additionally, the graves are not protected by the National Heritage Resources Act, Act 25 of 1999 (NHRA) as they are not older than 60 years. No permit is therefore required in terms of the NHRA. This case will be closed.

Should you have any further queries, please contact the designated official using the case number quoted above in the case header.

Yours faithfully
