

Good Day Ayanda,

Thank you, I confirm receipt of your email. Please kindly be informed of the following important details pertaining to this application:

1. The Mangaung Municipality made an honest omission not to mention explicitly that Mme Keikelame's Farm is also situated in Rietfontein.
2. Secondly, please kindly be informed that we can only submit two id copies and two affidavits as there are only two surviving siblings.

Should you require any further information in this regard, please do not hesitate to contact me.

Regards,

Dear Mss Leeuw,

I trust that you are well.

Thank you for your email below, however, I would think that you should try and scan it again as one document.

If it is giving you problems, please let me know and I will assist.

NB: We are missing the ID copies of the last family members who are giving us consent.

I am hopeful that by tomorrow your permit will be out, especially after attending the above.
